Insta-Tip Gel Extension Instructions

- Started by doing a dry manicure to remove cuticle and oils from the nail plate. Clean with pure acetone using lint free wipe.

- Size the clients nails (tips should fit sidewall to sidewall)

- Apply Primer to the natural nails

- Apply Base Gel to the natural nail. Cure for 10 seconds

- Apply Base Gel to the Insta Tip Nail Extension. Just where it will attach to the natural nail. Cure 10 seconds

- Apply Nail Tip Extension Glue Gel to the well of the Insta Tip Nail Extension. Place iHold Insta Tip Nail Extension on the natural nail, close to cuticle at 45 degrees angle and gently press down. Flash cure for 10 seconds.

- Do a final cure for 60 seconds after you have finished one hand.

- Adjust shape if desired

- You're done!
